SUMMARY ANNUAL REPORT FOR AUTOMOTIVE INDUSTRIES WELFARE PLAN

This is a summary of the annual report of the Automotive Industries Welfare Plan, EIN 94-6078226, for the year ended December 31, 2008. The annual report has been filed with the Department of Labor, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

The Board of Trustees of the Automotive Industries Welfare Plan has committed itself to pay certain medical, dental, orthodontia, disability, basic life, accidental death and dismemberment, vision, and prescription drug claims incurred under the terms of the plan.

Insurance Information

The plan has contracts with Kaiser Foundation Health Plan, Inc., PacifiCare Behavioral Health, Inc., Health Net, and MHN Services to pay certain medical and prescription drug claims incurred under the terms of the plan. Certain life insurance benefits are provided through a contract with the Hartford Life Insurance Company and ReliaStar Life Insurance Company. Certain vision and dental benefits are provided through contracts with Vision Service Plan, Safeguard Health Plans, Inc., United Concordia Dental of California, Inc., Newport Dental Plan, and Delta Dental of California. The total premiums paid for the plan year ending December 31, 2008 were \$51,388,163.

Because the contracts with Vision Service Plan, Delta Dental of California, and Hartford Life Insurance Company are so-called "experience rated" contracts, the premium costs are affected by, among other things, the number and size of the claims. Of the total insurance premiums paid for the plan year ending December 31, 2008, the premiums paid under such "experience-rated" contracts were \$2,604,398 and the total of all benefit claims paid under these experience-rated contracts during the plan year was \$1,487,521.

Basic Financial Statement

The value of plan assets, after subtracting liabilities of the plan, was \$22,354,387 as of December 31, 2008, compared to \$27,908,524 as of January 1, 2008. During the plan

year the plan experienced a decrease in its net assets of \$5,554,137. This decrease includes unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. During the plan year, the plan had total income of \$61,196,922, including employer contributions of \$61,609,885, employee contributions of \$1,137,240, realized losses of \$160,373 from the sale of assets, losses from investments of \$1,659,967 and other income of \$270,137.

Plan expenses were \$66,827,115. These expenses included \$2,684,819 in administrative expenses and \$64,142,296 in benefits paid to or for participants and beneficiaries.

The Plan received a transfer of \$76,056 as a result of a merger with the Santa Clara County Automotive Trades Trust Fund.
