ABOUT YOUR ENROLLMENT GUIDE

A Word from the Trustees...

With today's high health care prices, getting quality health care benefits at a reasonable cost is important — and challenging — to all of us. It means having good health plan choices, asking questions about treatment alternatives, and using our benefits wisely.

YOU ARE ONLY ELIGIBLE FOR BENEFITS WHICH HAVE BEEN NEGOTIATED BETWEEN YOUR EMPLOYER AND THE UNION

-

WISE BUYING... THE KEY TO QUALITY HEALTH CARE AT A REASONABLE COST

In most cases, the Trust Fund pays for coverage you select using contributions from participating employers. As health care costs continue to rise, it becomes more and more important to be careful buyers of medical care. We encourage you to:

- *Take time to learn about your options and how the plans can work best for you.*
- *Question your doctors and dentists so you'll better understand your health care alternatives.*

With your informed, thoughtful purchase of services, we hope to maintain quality benefits at a cost we can all afford.

*Board of Trustees
Automotive Industries Welfare Fund*

The Trust Fund designed this Enrollment Guide to help you review your health care needs for you and your family. The Guide is a summary of the information from the Automotive Industries Welfare Fund Summary Plan Description and Kaiser HMO material which govern plan benefits. If any conflict arises between this Guide and the SPD or Kaiser HMO materials, the SPD or Kaiser HMO literature will govern this plan's administration and benefit payment.

If you want more information contact the Trust Fund Office at (800) 635-3105. You can also write the Fund at 4160 Dublin Blvd., Suite 400, Dublin, CA 94568. While the Trustees intend to continue this plan indefinitely, they reserve the right to interpret eligibility or plan provisions, and to change or terminate the plan at any time.

MEETING YOUR MEDICAL NEEDS

You are eligible for **Plan K1000 Kaiser Medical** if your employer has negotiated Plan C Kaiser medical benefits with your union.

Kaiser Permanente (HMO)

With an HMO, you must receive all your care through a Kaiser hospital or physician contracted with the HMO in which you are enrolled. Non-Kaiser expenses will only be covered for emergency services. You must live or work within the service area to enroll. If you do not live or work within Kaiser service area, please contact the Trust Fund Office. Covered charges are not subject to a lifetime maximum.

There is a calendar year deductible of \$1,000 per person (\$2,000 per family). This is the amount you must pay in a calendar year before Kaiser provides most covered services. Some services, including most preventative care, are not subject to the deductible. Then, you must pay a portion of the charges when receiving covered services. For some services, you must pay a copayment of \$10-\$20. For some other services, you must pay a 20% coinsurance and the Kaiser plan would pay 80%. Your coinsurance and copayment do not apply toward your deductible, but do count toward your annual out-of-pocket maximum.

The annual out-of-pocket maximum is the maximum amount you will pay for certain covered services in a calendar year.

Once you have reached that maximum, you won't have to

pay any deductible, copays, or coinsurance for most covered services for the rest of the calendar year.

HEALTH REIMBURSEMENT ACCOUNT (HRA)

If your employer negotiated a Health Reimbursement Account (HRA), available HRA funds, can be used to pay any deductible, copayment and coinsurance amounts for eligible medical, prescription drug, dental and vision expenses.

- Your employer will provide funding for your HRA. The amount of the funding is based on the Agreement between your employer and the Union — it may be \$500/\$750/\$1,000 per year for a single person. In order to receive twice the amount on the HRA for family, the dependent(s) must be added at the same time during initial enrollment; otherwise, the full load will take place 1st of January.
- A card will be sent to your home address allowing you to use the benefit. The card functions just like a debit card and is accepted at the vast majority of service providers' offices and pharmacies.
- The HRA amount will be contributed to the account.
- Once the HRA contribution amount is exhausted in a calendar year, expenses are paid by you or your dependent until the out-of-pocket maximum is satisfied.
- Unused HRA amounts will not roll over from year to year. Each January when your deductible and out-of-pocket maximums are reset, your HRA funding will reset as well to the amount agreed on by the employer and Union.
- You are permitted to permanently opt out of and waive future reimbursements from the HRA at least annually, in a time and manner determined by the Fund Office. Upon your termination of employment, you may opt out and waive future reimbursements from the HRA.
- The HRA only covers medical expenses, prescription drugs, dental, vision and certain IRS approved over-the-counter supplies and medications. A list of approved over-the-counter items can be found on the IRS's website.
- If your eligibility terminates and you have remaining credits in your HRA account, those amounts will be forfeited at the end of the month of termination. The only exception to this procedure is if you elect COBRA Continuation Coverage.

AFFORDABLE DRUG COVERAGE

You must obtain your drugs at Kaiser Permanente pharmacies. Generic drugs are available with a \$10 copayment and brand name drugs with a \$30 copayment for a 30-day supply. For mail order, the copayments are twice those at a retail pharmacy for a 100-day supply.

A VARIETY OF DENTAL OPTIONS

If your employer has negotiated for dental benefits with your union, dental coverage is available to you and your eligible dependents. Each of your dental care choices covers preventive, basic, and major care. Benefits depend on the plan in which you enroll. New dental eligibles cannot enroll in Delta Dental for the first 12 months of coverage. Therefore, during their first 12 months of coverage, they are limited to enroll in one of the DMOs shown below. Dental Plan Options include:

- **Dental Maintenance Organization (DMO):** The MetLife, United Healthcare Dental and United Concordia Dental Plans operate like HMOs, providing services only through participating dental offices. You will be responsible for small copayments for most covered services.
- **Delta Dental Plan:** Like the Direct Pay Medical Plan, the Delta Dental plan allows you to use any licensed dentist, but pays a higher benefit when you use Delta Preferred Option Dentists. For most participants, there is a \$3,000 annual maximum benefit and you pay 20% of covered expenses when you use a Delta Preferred Option Dentist (30% of covered expenses when you do not). The maximum does not apply to pediatric dental services.

ORTHODONTICS

If your employer has negotiated for self-funded orthodontic benefits with your union, Orthodontic coverage is available to you and your eligible dependents once you have been covered by the Plan for three months. If you are eligible for orthodontic coverage, orthodontic treatment will be covered in full up to a lifetime benefit of \$3,000 per individual. If you enroll in a Dental Maintenance Organization, orthodontia may be available at discounted rates if you use a panel orthodontist. Regardless which dental plan option you have selected, orthodontic benefits are paid by the Fund Office once a claim is filed by your orthodontist.

VISION CARE

If your employer has negotiated vision benefits with your union, whichever medical plan you choose, you may use VSP's network of eye care professionals to receive exams, and purchase lenses and frames. Kaiser also offers eye exams.

DISABILITY INSURANCE

If your employer has negotiated self-funded disability benefits with your union, you may be eligible for disability payment on the first work day following a hospital confinement or disability due to an accident. Disability payment will commence on the fourth work day following a disability due to an illness. During any one disability period, as defined by the Plan, disability benefits are provided up to a maximum of 195 days (39 weeks).

BURIAL BENEFIT

If you are entitled to medical coverage through the Fund, you are automatically entitled to the Burial Benefit. This benefit provides payment of \$2,500 to your designated beneficiary upon the death of a covered Participant. Burial benefits are available to Active Employees and his or her covered Dependents (up to age 21).

LIFE INSURANCE

If you are covered for Life Insurance, the amount available upon the death of you or your eligible dependents is dependent on your employer's collective bargaining agreement with your union.

COVID-19 SERVICES

Effective for services received on or after March 18, 2020 and through the end of the Emergency Period in which the federal government has announced a Public Health National Emergency, the Fund covers COVID-19 testing and related visits/services at no cost sharing (no deductible, copay or coinsurance). Please reach out to the Fund Office for more information.

ELIGIBILITY AND ENROLLMENT - WHO IS ELIGIBLE

- **Contract Employees and Owners who work with the tools of the trade (Class 1):** Active Employees working under a bargaining agreement between an employer and a participating Union, which provides for contributions to the Automotive Industries Welfare Fund in accordance with the provisions of the Trust Agreement. Owners who are working with the tools of the trade and who have a bargaining agreement with a participating union will also be eligible to participate. Employees of a participating Union and the Administrative Office are also included.
 - **Non-Contract Employees (Class 2):** A Full-Time Employees, proprietor, or partner of an employer who is actively scheduled to work at least 30 hours each week (or 130 hours each month) at the employer's principle place of business, which is other than the employers residence. An employer that has elected to cover Class 2 Employees must cover all its Class 2 Employees.
 - **Dependents:** If YOU qualify for benefits, the following dependents are covered at no charge to you:
 - Your legal spouse or domestic partner (as defined by the Plan);
 - A Dependent Child is anyone who has one of the relationships with the Employee listed below, who are under the age of 26 (whether married or unmarried): natural children, stepchildren, legally adopted children and a child named as an "alternate recipient" under a Qualified Medical Child Support Order (QMCSO) who are less than 26 years of age (21 (23 if a student) for life insurance). In addition, children of an eligible Domestic Partner, children for which you have been made the legally appointed guardian who is less than 26 years of age (21 (23 of a student) for life insurance). Lastly, disabled children who are age 26 years or older, continue to be eligible for coverage regardless of age if they are incapable of self-supporting employment because of a mental or physical disability that was present prior to age 26 and are declared by the Employee as their dependent for Federal Income Tax purposes (but only to age 21 (23 if a student) for life insurance). *Please note that the Plan will request Birth Certificates, Marriage Certificates and any other relevant documentation at the time of initial enrollment or when additions are made.*
- Please note that the Plan will request Birth Certificates, Marriage Certificates and any other relevant documentation at the time of initial enrollment or when additions are made. If you have a newborn child and you need to request enrollment within 31-days of the date of birth. The Fund will provide you the enrollment form within 31 days, you will then have an additional 60 days (counted from the end of the 31-day period) to provide your child's Birth Certificate. If the birth certificate is not provided within the 91-day period, coverage for the newborn will terminate and any future coverage will be effective on the first date of the month following the month that the Fund Office receives the enrollment form and birth certificate.*
- **Ineligible Dependents:** A spouse of a Dependent Child (e.g. son-in-law/daughter-in-law) or child of a Dependent Child (e.g. Employee's grandchild) are not eligible for coverage under the Plan.
 - **Class 1 and Class 2 Employees** may select either the Direct Pay Plan or, for those who reside within Kaiser the service area, the Kaiser HMO.
 - All new hires must enroll in one of the Dental DMOs for the first 12 months after they become eligible.
 - A new Employee may elect to enroll in the Delta Dental PPO Plan rather than one of the pre-paid dental options if prior to enrolling in the Plan:
 1. The last dental coverage they had was Delta Dental; and
 2. They were covered by Delta Dental in the preceding 12 months;
 3. They were covered under that Delta Dental Plan for at least 12 months.

If you have any questions, contact the Trust Fund Office at (800) 635-3105.

WHEN COVERAGE STARTS

Coverage will start the first day of the month following the date your active employment begins. However, if your employer qualifies for participation under this plan after the date your employment begins, coverage will begin under the plan on the qualification date.

Exceptions:

- **Contracting Employees:**

If the collective bargaining agreement specifies a different eligibility date for employees (i.e. Probationary Period), then eligibility shall commence as specified in that agreement.

- **Non-contract Employees:**

If your employer has a collective bargaining agreement under which coverage is provided to contract employees, the commencement date for a non-contract employee shall be no earlier than the commencement date for a contract employee with the same employment date.

Coverage for your dependents will begin on the same date as yours, or the date they meet the definition of a dependent, if later.

CHOOSING A DENTAL PLAN

An eligible member may change his or her dental plan option once in a 12-month period. There is no specific open enrollment period. Instead, eligible participants will have the opportunity to change plan(s) anytime during the year. However, participants must be eligible for dental plan coverage and remain in the plan selected for a minimum of 12 consecutive months, unless the participant moves out of the DMO plan's service area. Any change in plan(s) will be effective on the first day of the month following the date the enrollment form is received by the Trust Fund Office.

When a change is made, an anniversary date for that dental plan is established. This anniversary date will be used to determine when future changes may be allowed.

Please remember that your dependents will be enrolled in the same plan as you.

Plan Enrollment Note:

You will remain enrolled in your current medical/dental plan until you notify the Trust Fund Office a desired change and submit an enrollment form for the new Plan in which you wish to be enrolled.

OPT-OUT

- You may opt back into coverage due to a HIPAA special enrollment event (please see page 26 HIPAA Special Enrollment Rights section in this Guide). This would include certain events such as birth of a child and loss of other Group Health Coverage, if the Trust Fund Office is notified of the change within 31 days. Coverage under an opt-in request will begin the first of the month following 31 days after receipt of a completed opt-in form. Note that coverage for a newborn or newly adopted child must be retroactive to the date of birth or placement for adoption if the request is made within 31 days.
- You are only eligible for benefits which have been negotiated between your employer and the union. You may opt out of all negotiated benefits or some of them. Should you wish to opt out, the following are your options if your employer has negotiated with your union:
 - Option 1: opt out all benefits.
 - Option 2: opt out medical and prescription drug; retain vision, dental, orthodontic, life and disability benefits.
 - Option 3: opt out vision, dental, orthodontic, life and disability; retain medical and prescription drug.
 - Any member eligible for dental benefits may notify the Fund Office if they do not want to receive those benefits.

WHEN COVERAGE ENDS

Your coverage ends on the later of:

- The date on which your employer ceases to make payments for your benefits,
- The date on which you lose continuation coverage offered through COBRA. Refer to pages 13-19 for the general Notice of Automotive Industries Welfare Fund Continuation of Coverage Rights under COBRA.

AUTOMOTIVE INDUSTRIES WELFARE FUND
CONTINUATION COVERAGE RIGHTS UNDER COBRA

Introduction

In compliance with a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (commonly called COBRA), eligible employees and their covered Dependents (called “Qualified Beneficiaries”) will have the opportunity to elect a temporary continuation of their group health coverage (“COBRA Continuation Coverage”) under the Plan when that coverage would otherwise end because of certain events (called “Qualifying Events” by the law).

Other Health Coverage Alternatives to COBRA

Note that you may also have other health coverage alternatives to COBRA available to you that can be purchased through the Health Insurance Marketplace (the Marketplace helps people without health coverage find and enroll in a health plan, (for California residents see: www.coveredca.com. For non-California residents see your state Health Insurance Marketplace or www.healthcare.gov)).

In the Marketplace you could be eligible for a tax credit that lowers your monthly premiums for Marketplace-purchased coverage. Being eligible for COBRA does not limit your eligibility for coverage for a tax credit.

You may also qualify for a special enrollment opportunity for another group health plan for which you are eligible (such as a spouse’s plan), if you request enrollment in that other plan within 30 days of losing coverage under this Plan, even if that other plan generally does not accept late enrollees.

Qualified Beneficiaries who elect COBRA Continuation Coverage must pay for it at their own expense.

This Plan provides no greater COBRA rights than what is required by law and nothing in this enrollment information is intended to expand a person’s COBRA rights.

Who Is Entitled to COBRA Continuation Coverage, When and For How Long

Each Qualified Beneficiary **has an independent right to elect COBRA** Continuation Coverage when a Qualifying Event occurs, **and** as a result of that Qualifying Event that person’s health care coverage ends, either as of the date of the Qualifying Event or as of some later date. Covered employees may elect COBRA on behalf of their spouses and covered parents/legal guardians may elect COBRA for a minor child. A Qualified Beneficiary also has the same rights and enrollment opportunities under the Plan as other covered individuals including Special Enrollment.

Under the law, a Qualified Beneficiary is any Employee or the Spouse or Dependent Child of an employee who is covered by the Plan when a Qualifying Event occurs, and who is therefore entitled to elect COBRA Continuation Coverage. A child who becomes a Dependent Child by birth, adoption or placement for adoption with the covered Qualified Beneficiary during a period of COBRA Continuation Coverage is also a Qualified Beneficiary.

- A child of the covered Employee who is receiving benefits under the Plan because of a Qualified Medical Child Support Order (QMCSO), during the Employee's period of employment, is entitled to the same rights under COBRA as an eligible dependent child.
- A person who becomes the new Spouse of an existing COBRA participant during a period of COBRA Continuation Coverage may be added to the COBRA coverage of the existing COBRA participant but is not a "Qualified Beneficiary." This means that if the existing COBRA participant dies or divorces before the expiration of the maximum COBRA coverage period, the new Spouse is not entitled to elect COBRA for him/herself.

Qualifying Event

Beneficiaries are entitled to COBRA Continuation Coverage when Qualifying Events (which are specified in the law) occur, **and**, as a result of the Qualifying Event, coverage of that Qualified Beneficiary ends. **A Qualifying Event triggers the opportunity to elect COBRA when the covered individual LOSES health care coverage under this Plan.** If a covered individual has a Qualifying Event but, as a result, **does not lose** their health care coverage under this Plan, (e.g. employee continues working even though entitled to Medicare) then COBRA is not available.

If you are an Employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following Qualifying Events happens:

- Your hours of employment are reduced causing a loss in coverage (including strikes or lockouts), or
- Your employment ends for any reason, other than gross misconduct.

If you are the Spouse or Dependent Child of a covered employee, you will become a qualified beneficiary if you lose coverage under the Plan because any of the following Qualifying Events happens:

- The Employee's hours of employment are reduced causing a loss of coverage (including strikes or lockouts);
- The Employee's employment ends for any reason, other than gross misconduct;
- The Employee becomes divorced or legally separated;
- The Employee dies; or
- The child stops being eligible for coverage under the plan as a "Dependent Child."

When is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Fund Office has been notified that a Qualifying Event has occurred. When the initial Qualifying Event is termination of employment or reduction of hours causing a loss of coverage, or death of the employee, the employer must notify the Fund Office of the Qualifying Event.

You Must Give Notice of Some Qualifying Events

For the other Qualifying Events (divorce or legal separation of the Employee and Spouse or a Dependent Child's losing eligibility for coverage as a Dependent Child) or any notice of a second Qualifying Event, you must notify the Fund Office within 60 days after the loss of coverage due to the Qualifying Event. You must provide this notice to:

Automotive Industries Welfare Fund
c/o Health Services & Benefit Administrators (HSBA)
4160 Dublin Blvd., Suite 400
Dublin, CA 94568
Telephone (800) 635-3105
Fax (925) 588-7121

How is COBRA Coverage Provided?

Once the Fund Office receives notice that a Qualifying Event has occurred, COBRA continuation coverage will be offered. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered Employees may elect COBRA continuation coverage on behalf of their Spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. The following chart lists the COBRA Qualifying Events, who can be a Qualified Beneficiary and the maximum period of COBRA coverage based on that Qualifying Event:

Qualifying Event Causing Health Care Coverage to End	Duration of COBRA for Qualified Beneficiaries		
	Employee	Spouse	Dependent Child(ren)
Employment terminates (for other than gross misconduct), including retirement.	18 months	18 months	18 months
Employee reduction in hours worked including strikes and lockouts (making employee ineligible for coverage).	18 months	18 months	18 months
Employee dies.	N/A	36 months	36 months
Employee becomes divorced or legally separated.	N/A	36 months	36 months
Dependent Child ceases to have Dependent status.	N/A	N/A	36 months

There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

(1) Disability extension of 18-month period of continuation coverage

If, prior to the Qualifying Event or during the first 60 days of an 18-month COBRA period, you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Fund Office in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. To get this extension, you must send a copy of the Social Security Award within 60 days of the date of the latest of (1) the date of the Social Security Disability Award, (2) the date that the qualified beneficiary loses coverage, or (3) Prior to the expiration of the original 18-month period of COBRA continuation coverage. Be sure to send the Fund Office a copy of the Social Security Disability Award as soon as you receive it.

(2) Second Qualifying Event extension of 18-month period of continuation coverage

If your family experiences another Qualifying Event while receiving 18 months of COBRA continuation coverage, your Spouse and Dependent Children can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second Qualifying Event is properly given to the Plan. This extension may be available to the Spouse and any Dependent Children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits after the Qualifying Event (under Part A, Part B or both), or gets divorced or legally separated, or if a Dependent Child stops being eligible under the Plan as a Dependent Child.

Cost to You for COBRA Continuation Coverage

You and/or your covered dependents will have to pay 102% of the full cost of the coverage during the COBRA continuation period. However, any individual or family whose coverage is extended beyond 18 months because of entitlement to Social Security disability income benefits must pay 150% of the full cost of coverage during the 11-month extension of COBRA continuation coverage.

You may choose:

- * Medical, prescription drug, and burial (if provided to you as of the date of the Qualifying Event); or
- * Medical, prescription drug, burial, dental, orthodontia, and vision (if provided to you as of the date of the Qualifying Event).
- * Medical, prescription drug, burial, life insurance, dental, orthodontia, vision (if provided to you as of the date of Qualifying Event). The life insurance level provided is \$25,000.

The Fund Office will notify you of the cost of continuation coverage when it notifies you of your right to elect this coverage. You have a maximum of **45 days** from the date you mail your election form to the Fund Office (as determined by postage cancellation) in which to submit your **first payment**. Payment for each full month passed since the date active coverage terminated must be included with the first payment. If payment of the amount due is not received within 45 days of your election, COBRA continuation coverage will terminate.

Thereafter, the amount you and/or your covered dependents must pay for your COBRA continuation coverage will be payable monthly. In order that your eligibility is correctly reflected in the Trust Fund records, **you should automatically send your check or money order to the Fund Office before the first of each month.** No payment will be accepted which is more than 30 days after the first day of the coverage month. If payment of the amount due is not received by the end of the 30-day grace period, COBRA continuation coverage will terminate.

For Monthly Payments, What If The Full COBRA Premium Payment Is Not Made When Due?

If the Fund Office receives a COBRA premium payment that is not for the full amount due, the Fund Office will determine if the COBRA premium payment is short by an amount that is significant or not. A premium payment will be considered to be **significantly short** of the required premium payment if the shortfall exceeds the lesser of \$50 or 10% of the required COBRA premium payment.

If there is a significant shortfall, then COBRA continuation coverage will end as of the date for which the last full COBRA premium payment was made.

If there is not a significant shortfall, the Fund Office will notify the Qualified Beneficiary of the deficiency amount and allow a reasonable period of 30 days to pay the shortfall.

- If the shortfall is paid in the 30-day time period then COBRA continuation coverage will continue for the month in which the shortfall occurred.
- If the shortfall is not paid in the 30-day time period then COBRA continuation coverage will end as of the date for which the last full COBRA premium payment was made.

Termination before end of maximum period

Continuation coverage will be terminated before the end of the maximum period if:

- The Fund no longer provides coverage to any of its similarly situated individuals,
- Any required premium is not paid in full on time,
- A qualified beneficiary becomes covered, after electing continuation coverage, under another group health plan,
- A qualified beneficiary becomes entitled to Medicare benefits (under Part A, Part B or both) after electing continuation coverage.
- During an extension of the maximum COBRA coverage period to 29 months due to the disability of the Qualified Beneficiary, the disabled beneficiary is determined by the Social Security Administration to no longer be disabled;
- Your former employer no longer provides for group health coverage through this Plan; however, the following exceptions apply to this rule:
 - a) If the employer goes out of business, continuation coverage will continue to be available for its former employees subject to all other limitations on such coverage and,

- b) If the union is decertified as the bargaining representative of the Class 1 employees of the employer, class 1 employees on continuation coverage as of the month of the decertification or before will be entitled to continue their continuation coverage subject to all other limitations on such coverage. All other employees of such employer shall have their continuation coverage terminated.

Continuation coverage may also be terminated for any reason the Plan would terminate coverage of a participant or beneficiary not receiving continuation coverage (such as fraud).

Notice of Early Termination of COBRA Continuation Coverage

The Plan will notify a Qualified Beneficiary if COBRA coverage terminates earlier than the end of the maximum period of coverage applicable to the Qualifying Event that entitled the individual to COBRA coverage. This written notice will explain the reason COBRA terminated earlier than the maximum period, the date COBRA coverage terminated and any rights the Qualified Beneficiary may have under the Plan to elect alternate or conversion coverage. The notice will be provided as soon as practicable after the Fund Office determines that COBRA coverage will terminate early.

Once COBRA coverage terminates early, it cannot be reinstated.

Cal-COBRA

If at the time of a Qualifying Event your medical and prescription drug coverage is provided through a health maintenance organization, your coverage which would otherwise end under federal law may be required to be extended by HMO to a total of 36 months under California law. For participants enrolled in Kaiser Permanente, Cal-COBRA would include your prescription drug benefit. You must contact Kaiser Permanente directly immediately upon the expiration of your federal COBRA coverage to receive these additional Cal-COBRA benefits.

Domestic Partner

Domestic partners and children of a domestic partner are offered “COBRA-like” temporary continuation; however, they do not have all the federally protected rights offered to a Qualified Beneficiary. There may be tax implications for covering a domestic partner or children of a domestic partner. You should consult with a tax specialist on this matter.

Conversion Coverage

If you have Kaiser HMO coverage, you may have the right, when your group health coverage ends, to enroll in an individual conversion Kaiser HMO policy. The benefits provided under such an individual conversion policy will not be identical to those provided under the Plan. You may exercise this right in lieu of electing continuation coverage, or you may exercise this right after you have received the maximum continuation coverage available to you. You must contact Kaiser Permanente directly to receive individual conversion coverage. Time limits apply so you must contact Kaiser Permanente immediately upon the expiration of your health plan coverage, federal COBRA coverage or additional Cal-COBRA coverage.

IMPORTANT EMPLOYEE BENEFIT PROGRAM NOTICES

HIPAA Special Enrollment Rights

This Plan complies with Special Enrollment Rights under the Health Insurance Portability and Accountability Act of 1996 because all eligible Employees and their eligible Dependents are covered for benefits when they meet the eligibility requirements. No Employee contribution is required for coverage.

You are allowed to “opt-out” of (or choose not to have) medical coverage. Following is a description of the times that you will be able to re-enroll in the plan.

- If you are not enrolled for coverage under this Plan and acquire a Spouse by marriage, or acquire any Dependent Child(ren) by birth, adoption or placement for adoption or marriage, you may request enrollment for yourself and/or your new Spouse, Domestic Partner and/or any Dependent Child(ren) no later than 31 days after the date of marriage, birth, adoption or placement for adoption. The Trust will provide 60 days coverage for a newborn. To extend coverage beyond the 60-day period, the Employee must submit the required documents within 60 days of the event.
- **Loss Of Other Coverage:** If, you did not request enrollment under this Plan for yourself, your Spouse/Domestic Partner and/or any Dependent Child(ren) within **31 days** after the date on which coverage under the Plan was previously offered because you or they had coverage under another group health plan or health insurance policy (including COBRA Continuation Coverage, certain types of individual health insurance, Medicare or other public program) **and** you, your Spouse and/or any Dependent Child(ren) **lose coverage** under that other plan or health insurance policy; you may request enrollment for yourself and/or your Dependents within **31 days** after the termination of their coverage under that other group health plan or health insurance policy **if** that other coverage terminated because of:
 - loss of eligibility for that coverage including loss resulting from legal separation, divorce, death, voluntary or involuntary termination of employment or reduction in hours (but does not include loss due to failure of employee to pay premiums on a timely basis or termination of the other coverage for cause); or
 - termination of employer contributions toward that other coverage (an employer’s reduction but not cessation of contributions does not trigger a special enrollment right); or
 - the health insurance that was provided under COBRA Continuation Coverage, and such COBRA coverage was “exhausted;” or
 - moving out of an HMO service area if HMO coverage terminated for that reason and, for group coverage, no other option is available under the other plan; or
 - the other plan ceasing to offer coverage to a group of similarly situated individuals; or
 - the loss of dependent status under the other plan’s terms; or
 - the termination of a benefit package option under the other plan, unless substitute coverage offered.

You and your dependents may also enroll in this Plan if you (or your eligible dependents):

- have coverage through Medicaid or a State Children's Health Insurance Program (CHIP) and you (or your dependents) lose eligibility for that coverage. However, you must request enrollment in this Plan within 60 days after the Medicaid or CHIP coverage ends; or
- become eligible for a premium assistance program through Medicaid or CHIP. However, you must request enrollment in this Plan within 60 days after you (or your dependents) are determined to be eligible for such premium assistance.

Women's Health and Cancer Rights Act of 1998 (WHCRA)

You or your dependents may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

Plan limits, deductibles, copayments, and coinsurance apply to these benefits. For more information on WHCRA benefits, contact the Trust Fund Office at (800) 635-3105.

Privacy Notice

The Health Insurance Portability and Accountability Act (HIPAA) of 1996 requires health plans to comply with privacy rules. These rules are intended to protect your personal health information from being inappropriately used and disclosed. The rules also give you additional rights concerning control of your own healthcare information.

This Plan's HIPAA Privacy Notice explains how the group health plan uses and discloses your personal health information. You are provided a copy of this Notice when you enroll in the plan. You can get another copy of this Notice from the Fund Office.

Important Reminder To Provide The Plan With The Taxpayer Identification Number (TIN) Or Social Security Number (SSN) Of Each Enrollee In A Health Plan

Employers are required by law to collect the taxpayer identification number (TIN) or social security number (SSN) of each medical plan participant and provide that number on reports that will be provided to the IRS each year. Employers are required to make at least two consecutive attempts to gather missing TINs/SSNs.

If a dependent does not yet have a social security number, you can go to this website to complete a form to request a SSN: <http://www.socialsecurity.gov/online/ss-5.pdf>. Applying for a social security number is FREE.

If you have not yet provided the social security number (or other TIN) for each of your dependents that you have enrolled in the health plan, please contact the Trust Fund Office at (800) 635-3105.

Availability Of Summary Health Information: The Summary Of Benefit And Coverage (SBC) Document(s)

The health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

As required by law, across the US, insurance companies and group health plans like ours are providing plan participants with a consumer-friendly SBC as a way to help understand and compare medical plan benefits. Choosing a health coverage option is an important decision. To help you make an informed choice, the Summary of Benefits and Coverage (SBC), summarizes and compares important information in a standard format.

Each SBC contains concise medical plan information, in plain language, about benefits and coverage, including, what is covered, what you need to pay for various benefits, what is not covered and where to go for more information or to get answers to questions. SBC documents are updated when there is a change to the benefits information displayed on an SBC.

Government regulations are very specific about the information that can and cannot be included in each SBC. Plans are not allowed to customize very much of the SBC documents. There are detailed instructions the Plan had to follow about how the SBCs look, how many pages long the SBC should be, the font size, the colors used when printing the SBC and even which words were to be bold and underlined.

To get a free copy of the most current Summary of Benefits and Coverage (SBC) documents for our medical plan options, contact the Trust Fund Office at (800) 635-3105.

PATIENT PROTECTION RIGHTS OF THE AFFORDABLE CARE ACT

Designation of a Primary Care Provider (PCP):

Direct Pay Plan:

The Direct Pay plan offered by this Fund does not require the selection or designation of a primary care provider (PCP). You have the ability to visit any network or non-network health care provider; however, payment by the Plan may be less for the use of a non-network provider.

Kaiser HMO:

The Kaiser HMO medical plans generally require the designation of a primary care provider (PCP). You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. Until you make this designation, Kaiser designates one for you. For children, you may designate a pediatrician as the primary care provider. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Kaiser.

Direct Access to OB/GYN Providers (Direct Pay Plans and Kaiser HMO Plans):

You also do not need prior authorization from the Plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the Trust Fund Office.

Medicare Notice of Creditable Coverage

If you or your eligible dependents are currently Medicare eligible, or will become Medicare eligible during the next 12 months, you need to be sure that you understand whether the prescription drug coverage that you elect under the Plan options available to you are or are not creditable with (as valuable as) Medicare's prescription drug coverage.

To find out whether the prescription drug coverage under the plan options offered by the Fund is or is not creditable you should review the Plan's Medicare Part D Notice of Creditable Coverage available from Fund Office.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of October 15, 2021. Contact your State for more information on eligibility –
