

CMTA-IAM JOINT RETIREE HEALTH AND WELFARE TRUST FUND

ENROLLMENT GUIDE JANUARY 2023

4160 DUBLIN BLVD., SUITE 400 | DUBLIN, CA 94568
(866) 889-7313 | FAX: (925) 588-7121

CMTA-IAM JOINT RETIREE HEALTH & WELFARE TRUST

About Your Plan Benefits

April 2023

A Message from Our Trustees

Rising health care costs are a major concern for all of us, and those on a fixed income are hit the hardest. Health care inflation has left our retirees paying more for doctor visits, hospital stays, and prescription drugs.

Yet, while we are faced with very real challenges today, the CMTA-IAM Joint Retiree Health and Welfare Trust remains committed to providing retired members with access to affordable, quality health care coverage. The plans can protect against the high costs of treating major illness or injury, and cover many day-to-day health care needs. This gives you greater flexibility to match a medical plan to your personal health situation at a price you can afford.

We encourage you to review this *Benefits Guide*. It describes your health plan options, eligibility for these plans, and the steps you should take to enroll in a plan. If you have questions after reading this *Guide*, please contact the Trust Fund Office at (866) 889-7313.

This Retiree Plan has been determined to be a “Retiree only Plan” meaning that is not subject to many of the group health requirements under HIPAA and the PPACA (Health Reform).

This Benefit Guide provides only highlights of certain features of the CMTA-IAM Joint Retiree Health & Welfare Trust Plan benefits. Full details are contained in the documents that establish the Plan provisions. If there is a discrepancy between the wording here and the documents that establish the Plan, the document language will govern.

The Trustees reserve the right to amend, modify, or discontinue all or part of the Plan at any time. No Retiree, Spouse/ Domestic Partner or any other person shall have any vested right to any benefits provided by the Plan.

Your Health Plan Options

Information regarding the Trust-sponsored health plan options is organized in two sections: for *Non-Medicare Retirees* and for *Medicare Retirees*.

Health Plan Options for Non-Medicare Retirees

Non-Medicare Retirees are our retired members under age 65, who are not yet eligible for Medicare. The following plans are available, based on where you live.

| Non-Medicare Retiree Health Plan Options | | |
|---|------------------|----------------------------------|
| <i>Plan Option</i> | <i>Plan Type</i> | <i>New enrollment open to...</i> |
| Kaiser HMO Plan | HMO | California residents only |
| Kaiser Deductible HMO Plan | HMO | California residents only |
| UnitedHealthcare HMO Plan | HMO | California residents only |

Please note the Kaiser HMO plans in Oregon and Hawaii are closed to new enrollment. There will also be no re-entry to these plans for current participants. Please see list above for the list of available health plan options.

Before choosing a plan, it is important to understand how each plan works, the benefits provided, and the costs you may incur under each plan (self-payments and out-of-pocket expenses).

Following is an explanation of the plan types noted in the table above. Refer to these definitions, along with the Benefit Plan Summaries included with this *Guide*, when deciding which plan is right for you.

Health Maintenance Organizations (HMOs)

The Trust Fund's HMO plans (provided through Kaiser and United Healthcare) require you to receive care and services from specific medical providers (physicians, hospitals, pharmacies, etc.) who contract with the HMO. This means you have access to network providers only, except when you need emergency care. You must select a Primary Care Physician (PCP) or medical group that coordinates your total health care, including arranging referrals to specialists and other participating providers for laboratory tests, X-rays, hospitalization, and medications.

Except for the Kaiser Deductible HMO plan, there is no deductible to meet before benefits are payable. In most cases, claim forms are not required. Some copayments apply, and you are responsible for those copayments at the point of care. If you use providers who are not in the network, you may have to pay the entire cost of the service (with the exception of emergency care).

Refer to the Benefit Plan Summaries included in this *Guide*, for highlights of benefits provided under each plan.

Health Plan Options for Medicare Retirees

Medicare Retirees are our retired members, generally age 65 and over, who are eligible for Medicare. The following plans are available, based on where you live.

| Medicare Retiree Health Plan Options | | |
|---|--|----------------------------------|
| <i>Plan Option</i> | <i>Plan Type</i> | <i>New enrollment open to...</i> |
| Health Net Seniority Plus Plan * | Medicare Advantage HMO | California residents only |
| Kaiser of California Senior Advantage Plan - \$10 Plan ** | Medicare Advantage HMO | California residents only |
| Kaiser of California Senior Advantage Plan - \$20 Plan ** | Medicare Advantage HMO | California residents only |
| Kaiser of Washington HMO Plan * | Medicare Advantage HMO | Washington residents only |
| UnitedHealthcare Secure Horizons HMO Plan | Medicare Advantage HMO | California residents only |
| UnitedHealthcare Senior Supplement Plan (Plan C) | Medicare Supplement Insurance | Residents of any state |
| UnitedHealthcare Prescription Drug Only Plan | Medicare Part D Prescription Drug Plan | Residents of any state |
| Please note the Kaiser HMO plans in Oregon and Hawaii are closed to new enrollment. There will also be no re-entry to these plans for current participants. Please see list above for the list of available health plan options. | | |

* Retiree and any eligible dependents must all be eligible for and enrolled in Medicare Part A and Part B.

** Additional hearing aid and dental coverage is available. However, you will have to pay 100% of the premium.

As you consider which plan is right for you, it is important to first understand how Medicare and your CMTA-IAM Joint Retiree Health and Welfare Trust plan benefits work together to provide your health care benefits.

How Medicare Works

You get Medicare Part A automatically if you sign up for Social Security. You need to sign up for Medicare Part B. Medicare coverage typically begins the first day of the month in which you turn 65, if you enroll in Medicare during the three months before the month you turn age 65.

When you become eligible for and enroll in Medicare, coverage is provided as follows:

- *Medicare Part A* provides hospital insurance. It helps pay for Medicare-approved hospital stays, care in skilled nursing facilities, hospice care, home healthcare, and hospital care from qualified Medicare providers. You typically do not pay a premium for Part A coverage if you or your spouse/domestic partner paid for Medicare through payroll taxes while you were working.
- *Medicare Part B* provides medical insurance. It helps pay for Medicare-approved doctor services, outpatient care, certain preventive care services, diagnostic tests, and some other services and supplies that Medicare Part A does not cover. You pay a monthly premium for Part B coverage. Most participants pay a monthly premium of \$164.90 in 2023 (unless you are considered a high income beneficiary).

Medicare Parts A and B are known as the “Original Medicare” plan. To enroll in a medical plan offered through the Trust Fund, you must be enrolled in Medicare Parts A and B.

- *Medicare Part C* allows you to receive your Part A and B Medicare benefits through Health Care Prepayment Plans (HCPP), Cost Plans, Medicare Risk plans, Medicare Plus Choice plans or most commonly, Medicare Advantage plans. A Medicare Advantage plan is a health plan (such as an HMO) approved by Medicare and run by a private insurance company. The Trust Fund sponsors several Medicare Advantage plans for our retired members. Refer to page 6 for more information regarding Medicare Advantage plans. An individual is entitled to Part C if they are entitled to Part A and enrolled in Part B and live in a Part C service area (certain specific exceptions apply).
- *Medicare Part D* helps to cover your prescription drug costs. When you become entitled to or enrolled in Part A or enrolled in Part B, you also have the opportunity to enroll in a Medicare Part D prescription drug plan. Medicare prescription drug plans are run by insurance companies and other private companies approved by Medicare. **Please Note:** If you enroll in one of the Trust Fund’s Medicare Advantage plans or Medicare Supplement plans, your

Medicare Part D prescription drug benefits are covered through that plan. Medicare Advantage and Medicare Supplement plan enrollees should not enroll in a separate Medicare prescription drug plan (please see page 8).
How the CMTA-IAM Joint Retiree Health and Welfare Trust plans work with Medicare

As noted in the table on page 4, the Trust Fund offers retired members the opportunity to enroll in one of several health plan options and receive benefits that include and supplement Medicare benefits. You can choose a Trust Fund-sponsored:

- Medicare Advantage HMO plan covering medical and prescription drugs
- Medicare supplement plan covering medical and prescription drugs
- Medicare prescription drug plan (prescription drug coverage only)

Medicare Advantage Plans. When you enroll in a **Medicare Advantage plan**, you agree to allow a private insurance company to provide your Medicare Part A and B benefits. Under a Medicare Advantage plan, you authorize Medicare to pay your benefits directly to the insurance company. The insurance company decides how benefits are covered under each plan. Generally, coverage under the Trust Fund’s Medicare Advantage plans is more generous than the coverage provided through Original Medicare. The Trust Fund’s Medicare Advantage plans also include Medicare-approved prescription drug coverage.

To join a Trust Fund-sponsored Medicare Advantage plan, you must have Medicare Part A and Part B. You will continue to pay your monthly Medicare Part B premium to Medicare, through deductions from your Social Security benefit. In addition, you will pay a monthly premium (your “self-payments”) to the Trust Fund for your Trust Fund-sponsored Medicare Advantage plan coverage—to cover the extra benefits offered through the plan.

You may choose to enroll in one of the following Trust Fund-sponsored Medicare Advantage plans. However, please note that you may not be eligible to enroll in an HMO plan if you do not live in an HMO service area.

- **HMO Plans.** When you choose an HMO plan, you must receive all services from HMO-contracted providers. Neither Medicare nor the HMO (except in emergencies or other pre-approved situations) will provide coverage for services received from outside providers.

The following Medicare Advantage HMO plans are available to you.

For California residents:

- Health Net Seniority Plus Plan
- Kaiser of California Senior Advantage Plan - \$10 Plan
- Kaiser of California Senior Advantage Plan - \$20 Plan
- UnitedHealthcare Secure Horizons HMO Plan

For Washington residents:

- Kaiser of Washington HMO Plan

Benefits coverage levels and monthly self-payment premiums vary by plan. Refer to the Benefit Plan Summaries included in this *Guide*, for highlights of benefits provided and the 2023 Self-payment rates. For a thorough description of your benefits, refer to the Evidence of Coverage (EOC) from the insurance company. Please note that if there is a discrepancy between the Benefit Plan Summaries and the EOC from the insurance company, the EOC language will govern.

Medicare Supplement Insurance. As an alternative to electing a Medicare Advantage plan, many Medicare beneficiaries opt to purchase **Medicare supplement insurance**. A Medicare supplement plan is private health insurance designed to pay some of the health care costs not covered by Original Medicare. These plans also include Medicare-approved prescription drug coverage.

The Trust Fund offers one Medicare supplement insurance plan—the UnitedHealthcare Senior Supplement Plan. Under this plan, you may visit any provider, but you incur lower out-of-pocket expenses when you visit a provider who accepts assignment from Medicare and does not engage in private contracting. For prescription drugs, you may use any pharmacy.

If you enroll in the United Healthcare Senior Supplement Plan, you must have Medicare Part A and Part B. In addition to your monthly Medicare Part B premium, you will also pay a premium, through your monthly self-payment to the Trust Fund, for your supplement coverage.

Refer to the Benefit Plan Summaries, beginning on page 20 of this *Guide*, for highlights of benefits provided.

Prescription Drug Only Plan for Medicare Retirees. While the Trust Fund-sponsored medical plans provide comprehensive, Medicare-creditable prescription drug coverage, the Trust Fund also provides retired members the option of electing a stand-alone **Medicare prescription drug plan**. *This plan is designed for individuals who are already covered or intend to seek coverage under a medical plan outside the Trust Fund (such as an individual plan or a plan through a spouse/domestic partner).*

Under the plan, you must fill your prescriptions at a United MedicareRx participating pharmacy, and mail order service is available. The plan also provides participants with phone access (1-888-556-6648) to a pharmacist 24 hours a day, seven days a week.

The following table provides a summary of the Prescription Drug Only Plan. Monthly self-payment premium for this plan is included separately with this *Guide*.

| Trust Fund-Sponsored Prescription Drug Plan Option | |
|---|---|
| Plan Feature | UnitedHealthcare - \$10/\$20/\$35 Plan |
| Annual Deductible | No deductible |
| Tier 1 Drugs (generics) | \$10 copayment |
| Tier 2 Drugs (preferred brand-name) | \$20 copayment |
| Tier 3 Drugs (non-preferred) | \$35 copayment |
| Specialty Drug Tier * | \$35 copayment |
| Coverage Gap | N/A |
| Mail Order (90-day supply) | Two times copayment for a 30-day supply at retail pharmacy. |

* Complex, high-cost drugs that usually have specialized storage, handling and delivery requirements.

The Trust Fund-sponsored Prescription Drug Only plan is offered as an alternative only to the medical/prescription drug plan options. The Trust Fund will not allow you to enroll in the Trust Fund-sponsored Prescription Drug Only Plan if you choose to enroll in one of its medical/prescription drug plans. *If you enroll in one of the medical/prescription drug plans, you should not enroll in the Prescription Drug Only plan, as Medicare-creditable drug coverage is available under all medical/prescription drug options.*

As mentioned before, the Trust Fund’s Medicare Advantage and Medicare supplement insurance plans include prescription drug coverage. Therefore, Medicare Advantage and Medicare supplement plan enrollees **should not** enroll in a separate Medicare prescription drug plan. If this is done, you may jeopardize your medical coverage or cause yourself unnecessary additional costs:

- **Medicare Advantage enrollees (HMO):** Retired members who enroll in one of the Trust Fund’s HMO Medicare Advantage plans and who enroll in a separate Medicare prescription drug plan will be automatically dis-enrolled by Medicare from their medical plan coverage, thus losing their Trust Fund-sponsored medical benefits. If you mistakenly do this, we encourage you to dis-enroll from your Medicare drug plan and file an appeal with your Medicare Advantage plan to be re-enrolled.
- **UnitedHealthcare Senior Supplement Plan enrollees:** UnitedHealthcare Senior Supplement Plan members who enroll in a separate Medicare prescription drug plan will no longer have access to the prescription drug benefits through the UnitedHealthcare Senior Supplement Plan—these benefits will only be provided through the separate Medicare prescription drug plan. Your self-payment to the Trust Fund will not be reduced even though the prescription drug benefits are no longer available. This will result in unnecessary additional cost to you.

Enrolling in a Plan *Non-Medicare Retirees*

Non-Medicare Retirees may enroll in a Trust Fund-sponsored plan or make changes to their plan election as outlined in this section.

Contact the Trust Fund Office at (866) 889-7313 to request an enrollment form and instructions for completing your enrollment.

If you wish to change your plan election, contact the Trust Fund Office. Any change you request during this enrollment period is effective the month following receipt of complete enrollment forms.

Please note: The plan your spouse/domestic partner is enrolled in will depend on the plan you select:

| If you enroll in... | And you have a Non-Medicare-eligible spouse/domestic partner, they will be enrolled in... |
|----------------------------|--|
| Kaiser HMO Plans | Kaiser HMO Plans |
| UnitedHealthcare HMO Plan | UnitedHealthcare HMO Plan |

| If you enroll in... | And you have a Medicare-eligible spouse/domestic partner, they will be enrolled in... |
|----------------------------|--|
| Kaiser HMO Plans | Kaiser Senior Advantage Plans |
| UnitedHealthcare HMO Plan | UnitedHealthcare Secure Horizons HMO Plan |

Initial Enrollment Period — For participants as they become eligible for Non-Medicare retiree benefits. Once eligible, Non-Medicare Retirees may enroll in a medical plan at any time. Following initial enrollment, generally you will not be allowed to change your benefit elections or add/delete dependents until you remain in the plan selected for a minimum of 12 months. However, you may be eligible to change your plan election before 12 months have passed under the following circumstances:

- You move from your medical plan service area
- You lose or gain medical plan coverage due to a change in your or your spouse/domestic partner’s employment
- If, under certain circumstances, a change is approved by the Board of Trustees

Enrollment and Plan change requests are effective the first day of the month following the date the enrollment form is received by the Trust Fund Office.

Enrollment and plan change requests are effective the first day of the month following the date the Trust Fund Office receives the properly completed enrollment material. You may initiate your enrollment/change request by calling the Trust Fund Office.

Medicare Retirees

You may enroll in a Trust Fund-sponsored plan or make changes to your plan election as outlined in this section.

If you wish to change your plan election, contact the Trust Fund Office. Your new election (if you choose to make a change) is effective the first day of the month following the date the Trust Fund Office receives the properly completed enrollment material and subject to approval by the medical plan carrier.

Contact the Trust Fund Office at (866) 889-7313 to request an enrollment form and instructions for completing your enrollment.

Please note: The plan your spouse/domestic partner is enrolled in will depend on the plan you select:

| If you enroll in... | And you have a Medicare-eligible spouse/domestic partner, they will be enrolled in... |
|---|---|
| Kaiser of California Senior Advantage Plans | Kaiser of California Senior Advantage Plans |
| Health Net Seniority Plus Plan | Health Net Seniority Plus Plan |
| UnitedHealthcare Secure Horizons HMO Plan | UnitedHealthcare Secure Horizons HMO Plan |
| UnitedHealthcare Senior Supplement Plan | UnitedHealthcare Senior Supplement Plan |
| Kaiser of Washington HMO Plan | Kaiser of Washington HMO Plan |
| If you enroll in... | And you have a Non-Medicare-eligible spouse/domestic partner, they will be enrolled in... |
| Kaiser Senior Advantage Plans | Kaiser HMO Plans |
| Health Net Seniority Plus Plan | You will not be able to enroll your non-Medicare spouse or domestic partner |
| UnitedHealthcare Secure Horizons HMO Plan | UnitedHealthcare HMO Plan |
| UnitedHealthcare Senior Supplement Plan | UnitedHealthcare PPO Plan |
| Kaiser of Washington HMO Plan | You will not be able to enroll your non-Medicare spouse or domestic partner |

If you select Health Net or Kaiser of Washington, you and your dependents must be eligible and enrolled in Medicare.

You may change your election during the year as noted on page 10 of this *Guide*, or during the annual Medicare enrollment periods described in Medicare’s publication, “*Medicare and You 2023*.”

Initial Enrollment Period — For participants as they become eligible for Medicare. The Trust Fund negotiates with its health plan carriers to set premium rates, based on the assumption that all Medicare-eligible retirees are entitled to both Medicare Part A and Part B benefits. *Thus, the plans offered through the Trust Fund require that Medicare Retirees are enrolled in Medicare Parts A and B.*

Medicare coverage typically begins the first day of the month in which you turn 65, if you enroll in Medicare during the three months before the month you turn age 65. Generally, there is no monthly premium for Part A coverage. You must pay a monthly premium for Part B coverage. The 2023 Part B premium for most Medicare beneficiaries is on average \$164.90 per month (there are some exceptions for higher income individuals).

You may be eligible for Medicare earlier than age 65 if you become disabled or have End Stage Renal Disease (ESRD). Contact Social Security

Administration for more information.

You can enroll in Medicare Part B when you are first eligible to enroll in Medicare. If you are covered through the Trust Fund’s group medical insurance (or another employer’s group insurance plan), you can also enroll in Medicare Part B later through a Part B special enrollment period as follows:

- Any time you are still covered by a group health plan through your or your spouse/domestic partner’s active employment
- During the eight months following the month your group health plan coverage ends, or when employment ends (whichever is first)

Once enrolled in Medicare Part B, you may elect a Trust Fund-sponsored medical plan to cover your health care needs. You are responsible for any additional premium required—payable to the Trust Fund through your monthly self-payments.

To enroll in a Trust Fund-sponsored plan, contact the Trust Fund Office at (866) 889-7313 to request an enrollment form and instructions for completing your enrollment.

IMPORTANT: If you do not enroll in Medicare Part B when you first become eligible or during the other times indicated above, you may have to pay a higher Medicare Part B premium because you could have had Medicare Part B and did not take it. Call the Social Security Administration at 800-772-1213 for more information or to enroll in Medicare.

When plan election changes are allowed. You may change your plan election outside of the enrollment periods described previously, as follows:

- If you no longer live in your medical plan’s service area
- If you lose your group health plan coverage
- If you are entitled to Medicare and are in a situation that Medicare has decided is an exception

Refer to Medicare’s publication “*Medicare and You 2023*” for more information on the annual Medicare enrollment periods and special enrollment events. If necessary, contact the Trust Fund Office to discuss your circumstances and initiate a request to change your medical plan election.

Vision Discount Program

You and your eligible dependents have access to VSP’s Savings Pass Plan. By using this discount program, you have access to discounts through a trusted, private-practice VSP doctor, one rate of \$50 for an eye exam, special pricing on complete pairs of glasses and sunglasses, 15% savings on a contact lens exam and unlimited use on materials throughout the year. The vision discount program contracts with an independent network of vision providers who extend a discount to you for covered vision services. Covered vision expenses are noted in the following summary of the discounts and savings available.

| Service | Reduced prices and Savings |
|---------------------------------------|---|
| Well Vision Exam every calendar year) | <ul style="list-style-type: none"> • \$50 with purchase of a complete pair of prescription glasses. This cost is only available with the purchase of a complete pair of prescription glasses. • 20% savings off the cost of an eye exam without purchase. |
| Retinal Screenings | Guaranteed pricing with Well Vision exam not to exceed \$39 |

| | |
|--|--|
| Lenses | With purchase of a complete pair of prescription glasses: <ul style="list-style-type: none"> • Single vision: \$40 • Lined bifocals: \$60 • Lined trifocals: \$75 • Polycarbonate for children: 30% off provider's usual and customary fee |
| Service | Reduced prices and Savings |
| Lens Enhancements | Average savings of 20-25% on lens enhancements such as progressive, scratch-resistant, and anti-reflective coatings. |
| Frames | 25% savings when a complete pair of prescription glasses is purchased. |
| Sunglasses | 20% savings on unlimited non-prescription sunglasses from any VSP doctor within 12 months of your last Well Vision Exam. |
| Contact Lenses (applies only to contact lens exam, not materials. You are responsible for 100% of the contact lens material cost). | 15% savings on contact lens exam (fitting and evaluation). |
| Laser Vision Correction | Average 15% savings off the regular price or 5% savings off the promotional price; discounts only available from contracted facilities. |

Unlimited Annual Material Use

Your VSP vision savings pass can be used as often as you like throughout the year.

How to Use Your VSP Vision Savings Pass

1. Find a VSP doctor at vsp.com or call (800) 877-7195.
2. At your appointment, tell your VSP doctor that you're a VSP member to save immediately on an eye exam and eyewear.
3. Take advantage of your VSP vision savings pass over and over - use is unlimited on materials

Eligibility for Trust Fund-Sponsored Health Care Benefits

Who is Eligible?

Retiree

You are eligible for retiree benefits if:

- You have retired under a collective bargaining agreement with District Lodge 190 and (a) are receiving benefits from the Automotive Industries Pension Fund or IAM National Plan, or (2) are at least 55 years of age.
- You make the proper self-payments for coverage.

You may not enroll in this plan both as a retiree and as a dependent.

Dependent

If YOU qualify for benefits, the following dependents may be covered:

- Your spouse or domestic partner (if there is a registered domestic partnership with a government body pursuant to state law);
- Your unmarried children dependent on you for support, including:
 - Biological children;
 - Legally adopted child or a child placed for adoption. Placed for adoption means the assumption and retention by the Retiree of a legal obligation for total or partial support of such child in anticipation of adoption of such child. The child's placement for adoption terminates upon the termination of such legal obligation;
 - Stepchildren
 - Foster children (**Please note: Kaiser does not cover foster children**, including a foster child who (1) is claimed as an income tax deduction by the retiree, (2) is solely dependent on the retiree for support, and (3) lives in the retiree's home.);

- A child named as an “alternate recipient” under a Qualified Medical Child Support Order (QMCSO) or a National Medical Support Notice.
- An unmarried grandchild of the retiree under the age of 19 (proof of relationship and age will be required) who is eligible for tax-free health coverage as a “qualifying child” or “qualifying relative” under the applicable requirements of Internal Revenue Code Section 152(c) or 152(d), respectively OR who is claimed as a dependent on the retiree’s federal income tax return for each plan year for which coverage is provided. In order to be eligible for tax-free health coverage as a “qualifying child,” the grandchild must (i) meet certain age/student limits, (ii) have the same principal place of abode as the participant for over half of the year, and (iii) not provide over half of his/her own support. To be eligible for tax-free health coverage as a “qualifying relative,” the participant must provide over half of the grandchild’s support, and the grandchild must not be the “qualifying child” of any person.

You can cover children up to age 19 (or to age 23, if full-time students at accredited educational institutions and dependent on you for at least half of their support).

- **Disabled Adult Child:** an unmarried child who, while eligible as a Dependent, becomes and remains incapable of engaging in self-sustaining employment because of mental or physical disability, and is solely dependent on the Retiree for support. A child meeting these qualifications shall continue to qualify as a Dependent so long as the parent remains continuously eligible as a Retiree. Satisfactory evidence of continued disability may be requested by the Fund from time to time.

Eligibility Date

Coverage begins upon proper self-payment on the date you have retired under a collective bargaining agreement with District Lodge 190 and (1) begin receipt of pension payments from a qualified pension plan; or (2) have reached age 55.

If you do not wish your coverage to begin on this date, you may apply at a later date. In this case, coverage would begin on the first day of the month after proper application is made to the Trust Fund Office. Application for Non-Medicare plans may be made at any time after you are eligible. Medicare Retirees should take note of the Part A and Part B enrollment requirement and the timeframes for enrolling in Part A and Part B noted previously in this *Guide*.

Dependents become eligible under the plan at the same time you become eligible, or on the date the dependent becomes an eligible dependent, if later.

If you and your eligible dependent(s) elect coverage and become eligible under the plan, but you later die, surviving spouse/domestic partner and/or eligible dependent child benefits will continue after your death. Coverage may be suspended for a spouse/domestic partner if he/she becomes employed or covered under another health and welfare program; eligibility for coverage under this Plan will be resumed when the other coverage terminates. Note that Surviving Spouse coverage is an alternative to COBRA and therefore either COBRA or Surviving spouse coverage can be elected.

The spouse/domestic partner's coverage will terminate permanently on the date of remarriage. In addition, a domestic partner's coverage will terminate permanently if he or she registers a new domestic partnership.

Re-Entry to the Plan

As a participant in the CMTA-IAM Fund, you have many different coverage options available to you (depending on whether you are an early retiree or a retiree who is eligible for Medicare).

After coverage has been cancelled, the Board of Trustees will allow a retiree and eligible dependents to re-enter the plan on a prospective basis. However, please note:

- All re-entry will be subject to the insurance carrier permitting such re-enrollment.
- There may be instances where this will not be permitted (e.g., if you were previously terminated for cause or if you are eligible for or entitled to Medicare and Medicare will not permit re-enrollment).
- There may be applicable Medicare late enrollment penalties if you go for any period of time without coverage.

If permitted by the carrier, re-entry enrollment will become effective on the first day of the month following the date on which all properly completed enrollment documentation and any applicable self-payment are received by the Trust Fund Office. Please contact the Trust Fund Office if you have any questions.

Paying for Your Health Plan Coverage

Monthly self-payments are required for coverage under the plan. Your monthly self-payments depend on which health care plan you elect, and whether you cover just yourself, or yourself and your dependents.

The self-payment rates are subject to change as determined by the Trustees to reflect changes in the actual cost of the benefits, administrative costs, and reserve funding. Failure to submit your monthly self-payment in a timely manner will be interpreted as a voluntary request to terminate your coverage.

Class 2 Participants

Class 2 Employees who have participated in the Automotive Industries Welfare Fund may be eligible for retiree benefits under the Trust Fund, without any subsidy, based on the following requirements:

- The participant was an active Class 2 Employee in the Automotive Industries Welfare Fund with at least 5 years of consecutive coverage immediately prior to retirement.
- The participant has attained age 60.

Important Notices

Your COBRA Rights - Please note: When you retired, you (the Employee) were offered a choice between electing a temporary continuation of your active group health coverage (“COBRA Continuation Coverage”) or electing Retiree health coverage. As you elected the Fund’s Retiree health coverage, you have no further COBRA continuation rights. However, your covered Dependent(s) may experience a COBRA Qualifying Event as described in this section.

COBRA Continuation Coverage can become available to members of your family who are covered under the Trust Fund plan, when they would otherwise lose their group health coverage. For additional information about your rights and obligations under the Trust Fund plan and under federal law, refer to the “General Notice of COBRA Continuation Coverage Rights” available upon request from the Trust Fund Office.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace if you are not eligible for Medicare. By enrolling in coverage through the Marketplace, you may qualify for a tax credit, which will lower costs on your monthly premiums. Being eligible for COBRA does not limit your eligibility for coverage for a tax credit. For more information about the Health Insurance Marketplace, visit www.healthcare.gov. In addition, you may qualify for a special enrollment opportunity for another group health plan for which you are eligible (such as a spouse/domestic partner’s plan), if you request enrollment in that plan within 30 days of a qualifying event, even if that plan generally does not accept late enrollees.

Private Health Information

A portion of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) addresses the protection of confidential health information. It applies to all health benefit plans. In short, the idea is to make sure that confidential health information that identifies (or could be used to identify) you is kept completely confidential. This individually identifiable health information is known as “protected health information” (PHI), and it will not be used or disclosed without your written authorization, except as described in the HIPAA Privacy Notice or as otherwise permitted by federal and state health information privacy laws.

The HIPAA Privacy Notice is available by request from the insurance company that provides your medical coverage. It spells out what the plans are required by law to do and how the plans will comply, as well as provides an explanation of your rights regarding your own health information. If you have any immediate questions or concerns, please contact the Trust Fund Office.

Help for People with Limited Financial Resources

There is financial help available to pay for some health care and prescription drug costs. If you have limited income and resources, you might qualify for the programs, including the Low Income Subsidy (LIS), which provides assistance with prescription drug costs.

Refer to Medicare’s publication, “*Medicare and You 2023*,” or contact your health plan carrier for more information.

If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA’s website.) For more information about the Marketplace, visit www.HealthCare.gov.

Keep Your Plan Informed of Address Changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Trust Fund Office. Plan contact information:

CMTA-IAM Joint Retiree Health & Welfare Trust
c/o Health Services & Benefit Administrators (HSBA)
4160 Dublin Blvd., Suite 400
Dublin, CA 94568
Telephone (866) 889-7313
Fax (925) 588-7121

Contact the "COBRA Unit" at the group health plan at the address and phone numbers shown above.

Benefit Plan Summaries

Use the following charts to compare the medical options of the CMTA-IAM Joint Retiree Health and Welfare Trust and pick the plan that best meets your health care needs.

The charts provide only highlights of certain features of the CMTA-IAM Joint Retiree Health & Welfare Trust Plan benefits. Full details are contained in the documents that establish the plan provisions. If there is a discrepancy between the wording here and the documents that establish the plan, the language in the documents that establish the plan will govern plan administration and benefit payment.

Contact the Trust Fund Office to request booklets for the plans in which you are most interested.

Medicaid and the Children’s Health Insurance Program (CHIP) Offer Free Or Low-Cost Health Coverage To Children And Families

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility –

PAPERWORK REDUCTION ACT STATEMENT

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 1/31/2026)

COORDINATION OF BENEFITS WITH MEDICARE

To comply with federal Medicare coordination of benefit regulations, you must promptly furnish to the Plan Administrator, or its designee, the Social Security Number (SSN) of your eligible Dependents for which you have elected, or are electing, Plan coverage, and information on whether you or any of such dependents are currently enrolled in Medicare or have disenrolled from Medicare. This information will be requested when you first enroll for Plan coverage but may also be requested at a later date. Failure to provide the SSN or complete the CMS model form (form is available from the Trust Fund Office or <https://www.cms.gov/MandatoryInsRep/Downloads/RevisedHICNSSFSSNForm081809.pdf>) means that claims for eligible individuals may not be processed for the affected individuals.

If a dependent does not yet have a social security number, you can go to this website to complete a form to request a SSN: <http://www.socialsecurity.gov/online/ss-5.pdf>. Applying for a social security number is FREE.
